## Foreword

We are pleased to once again host the premier event of the C&A MC Autotest calendar, the Kennings being a round of the Demon Tweeks *Direct* BTRDA Autotest and ANWCC championships.

This year we move back to our usual Club venue, the disused Quarry at Holland Arms, where we have space for 3 tarmac test sites for the National B event, and 3 mixed surface tests for the Clubman events, allowing the events to overlap, so the Clubman competitors can spectate while the National B drivers compete, and vice-versa.

This will ensure the number of entries will be high, so get those entries in early to avoid disappointment.

Late entries will not be accepted. Closing date is Wednesday 12<sup>th</sup> August.

MOTORSPORT – Serious Fun!

We would like to thank Messrs. Owen and Hogan for the use of this venue.
