The next event for the group will be The Race Retro Show at Stoneleigh on the 14th, 15th and 16th of March. BTRDA® Motorsports Future will have a stand at the show, aiming to continue in highlighting the entry level to motor sport and trying to get more new people involved. A team of us will be manning the stand over the 3 days, if you have any questions or would like to find out more about what we do, please come and see us at our stand. Or alternatively visit btrda.com and click on the Motorsports Future or Drive links to contact us. Full report and photos of our time at the show will be featured in April's News.

Training days will also be going ahead in April for our two Drive winners, but please feel free to come along and show us what you have got too!

Thank you to all our sponsors of the Drive Programme, we could not have done it without your backing for 2008 and we will keep you updated on all our forthcoming events and results.
