

12. Penalties will be determined as follows:

7. The route to be followed on each course will be designated using cones supplemented by yellow cones laid on their side to show which side to pass each marker. Numbered boards will show the order in which each marker is to be passed. Course layouts will be issued before the start of each course, and may be modified slightly to avoid damaged parts of the surface. The separate start, finish and stop lines will be indicated on the course diagrams. Timing will start when the front wheels cross the start line and stop when the front wheels cross the finish line. Competitors must then halt in the box **before** the "STOP" line and return to the paddock at walking speed.

Results will be determined by discarding the worst time recorded on each course. Timing will be by hand-held stopwatch to the previous tenth of a second. Where there is a tie, the result will be determined by the aggregate of the first runs over each course.
