

Car Trials Open Meeting

Saturday 18 April 2009

Announcement

The BTRDA[®] Car Trials Committee is holding an Open Meeting on Saturday 18 April 2009 to which representatives of clubs involved in Car Trials, competitors and any other interested party are invited. It is open to non BTRDA[®] members.

The purpose of the meeting is to receive feedback on the recent changes to the sport and discuss ways in which the sport can best develop in the future. The meeting will have representatives from the MSA and BTRDA committees responsible for Car Trials, the former, of course, also being the legislative body.

The meeting will also present an opportunity to nominate and vote for members of the BTRDA[®] Car Trials Committee. Participation in this committee is for members of the BTRDA[®] only and presents an ideal opportunity to bring suggestions forward for discussion and action, either for regulatory changes or the BTRDA[®] Car Trials Championship.
