

Timing will be by hand-held stopwatch to the previous tenth of a second. Where there is a tie, the result will be determined by the aggregate of the first runs over each course.

12. Penalties will be determined as follows:

Striking a marker cone, or failure to stop before the "STOP" line.....5 secs

Taking an incorrect route (WT).....**Penalty Time**
(Should a competitor return to the point of departure from the correct route and then complete that course correctly there shall be no penalty - except as shown below)

Completing the course in a time that exceeds the Penalty Time.....**Penalty Time**

Penalty Time is the fastest recorded time in the class over that run on that course + 30 seconds

13. All officials, and competitors while acting as marshals, will be Judges of Fact to adjudicate on false starts, hitting cones and not following correct route. Their determination is not subject to appeal or protest (G.10.1.1).

14. Individual scorecards, which will be the only record of your performance, will be issued by the Scrutineer after he has examined your vehicle. Your recorded times for each test will only count if you have marshalled it; your scorecard must therefore be signed to that effect by the Chief Observer.

15. The maximum entry for the meeting will be 45, the minimum 21. Should the minimum not be reached the organisers reserve the right to cancel the meeting. A car may be shared by a maximum of two drivers.
