

ACCRINGTON MOTOR SPORT CLUB AUTOSOLO 29 AUGUST 2010

SUPPLEMENTARY REGULATIONS

INTRODUCTION

For those who haven't entered an Autosolo before, they consist of all forwards timed tests on a hard surface. Although there is no passenger they are not a memory contest as numbers and markers help you find your way around. One score is dropped per test layout in the Clubsport event to allow for those 'little disasters'. Although modified cars are allowed, all competing vehicles have to be road legal and be driven to the event.

Competitors are divided into groups, whilst one group competes, another marshals and the third takes a well-earned rest. This results in an action packed day for all.

Autosolos are relatively new to this country but have a large following in the USA. They have proved to be an ideal low cost introduction to motor sport for beginners (particularly teenagers) and a means of past competitors to return to the sport.

A Copy of these regulations is also available on-line at www.anwcc.org

1. Accrington Motor Sport Club will organise a Clubsport & National B Autosolo on Sunday 29 August 2010 at

SD34 Off Road Championship, SD34 Inter club League.

The Clubsport event is a round of the 2010 BTRDA Newcomers Challenge championship.

Both events are eligible for nomination in the BTRDA All-rounders Championship. In the interests of opening up the competition for novices and newcomers we would encourage MSA Licence holders to enter the National B event unless Clubsport status is a requirement of any championship being contested.
