- 20** The better two runs of three attempts at each course will count for results. If time presses late on, then only one run from two attempts at the last course will count. - 21** The starting signal will be made known at the Drivers' Briefing.
- Timing will be by hand held stop watches to the previous tenth of a second.

23 All other General Regulations of the MSA apply as written, except that:-

- a) All competitors must walk each course before the timed runs start for that course.
- b) No practicing will be allowed.

24 Following the installation of a new parking time limit, with cameras to ensure adherence, it is important to register your car with the on-site authorities on arrival to avoid any parking penalties. Full details will be included with the Final Instructions.

We hope you enjoy your day's Motor Sport
