

## **Supplementary Regulations**

### **BTRDA Training Day Sunday 22<sup>nd</sup> May 2011 Catton Park, Nr Burton on Trent**

BTRDA Limited will promote a training day aimed at introducing participants to low cost motorsport. It will consist of introductions to Car Trials, Autotests (including Autosolos) with advanced training in the skills of Sporting Trials. The event is open to anyone but driving will be limited in accordance with the requirements of the 2011 Motor Sports Association Yearbook (the Blue Book).

A Gymkhana permit no 65021 has been issued for the event.

The aim is to introduce new participants in the sports listed above. Car Trials, Autotests and Autosolos are suitable for new participants in motorsport with minimum financial outlay. Sporting Trials use specialised cars and more advanced skills are required.

The training will consist of an introduction to the sports and demonstration of the skills involved. After initial training, participants will have the opportunity to be driven around the appropriate course(s) and then drive themselves under close scrutiny by an expert in the chosen sport. While it will be possible to get a flavour of each sport, the aim will be to give an in depth appreciation of one sport. In the case of Car Trials and Autotests it will be possible for participants to drive their own car.

Minimum ages apply to drivers and passengers as per Motorsport Association Regulations.

	Autotest*	Car Trial	Sporting Trial
Driver	14	14	16
Passenger	12	12	14

\*Run under PCA rules

In all cases there will be a passenger in the car. This is normal for Sporting Trials and Car Trials. The Autotest will follow the Production Car Test format.

There is no competition and no awards but participants will be given feedback on how they improve during the day.

The participants in the Sporting Trial training will be limited to 20. The limit in the Car Trials and Autotests will be 40 in each case. However additional people can attend the meeting to gain information but not drive cars.

A parking fee of £15 will be charged to include morning coffee. The training is free. Caterers will be in attendance all day so please support them.

Signing on opens at 9.30am. Training starts at 10.30. There will be a lunch break for 1 hour at 13.00. We aim to finish at 4.30pm.

Secretary of the Meeting
