

The CSMA Club NW AutoSOLO 23 June 2013

SUPPLEMENTARY REGULATIONS

INTRODUCTION

For those who haven't entered an AutoSOLO before, they consist of all forwards timed tests on a hard surface. Although there is no passenger they are not a memory contest as numbers and markers help you find your way around.

Competitors are divided into 3 groups, whilst one group competes, another marshals and the third takes a well-earned rest. This results in an action packed and very sociable day for all.

The spirit of the event is to use ordinary everyday cars, although modified cars are allowed but all competing vehicles have to be road legal and be driven to the event. In the Clubmans event aimed at newcomers, one score is dropped per test layout to allow for those 'little disasters'. The National B event is part of a number of championships and can be very competitive.

AutoSOLOs were introduced to the UK a few years ago and have proved to be an ideal low cost introduction to motorsport for beginners (particularly teenagers) and a means of past competitors to return to the sport.

Everyone aged 18 or over entering the Clubman's event for their first ever motorsport event will have their names entered in a free draw, the winner receiving a refund of their entry fee paid for by Under 17 Motor Club (North West) as part of their support to National Motorsport Week. Just register on the entry form!

A Copy of these regulations is also available on-line at www.anwcc.org and www.sd34msg.org.uk
