The maximum time is the quickest time in class for that run plus 20 seconds.	

22. In the National B event all times will count.  
 In the Clubman's event on each course the slowest time by the competitor will be discarded in calculating the results.

23. The starting signal will be "in your own time".  
 Timing will be by hand held stopwatches to the previous tenth of a second.  
 Timing will start when the leading wheel crosses the timing line and stops when the leading wheel crosses the finish line. Competitors must stop before the baulk line.
24. The STOP signal will be displayed because of an obstruction on the course, whether this is object or personnel. A competitor must stop immediately on deployment of the STOP signal and a re-run will be allowed. The STOP signal will be demonstrated at the driver's briefing. If you are the reason for deploying the red flag, e.g. you are correcting an error, you may not have a re-run.
