Many thanks to all the Competitors for entering our event and we hope you enjoyed the challenge!

Another big thank you to the team who helped clean-and-set-up for the event.

Then our appreciation goes to the band of Marshals on Sunday for their invaluable support – we managed to cover all Test Sites and everyone did a great job! The Results Team kept the score sheets up-to-date and double-checked. Also our gratitude extends to all other Officials for performing their duties so well.

In particular, Herefordshire Motor Club are grateful to Major David Davenport and his son, James, for their assistance with the organisation and for allowing us to hold our event in such unique surroundings. Thank you to everyone for respecting the venue and leaving it in a tidy manner.

Please find to follow the full Results. With all Competitors being prompt to hand in their Time Cards, we declared these final at 3:42pm and the Awards Presentation duly followed.

Many congratulations to Alastair Moffatt on another win at this unique venue!

He didn't have it all his own way with Malcolm Livingston leading after the first loop of tests until retirement ended his challenge. Alastair promptly took the lead after 8 tests with the striker of Willie Keaning pushing Alastair hard for the rest of the day

Wishing you all a great 2019 in whatever motorsport you take part in and hope to see you next year!
