**Sherpa Trials Car For Sale.**

Rare opportunity to purchase an original 1990s Live Axle Sherpa trials car which has undergone a recent extensive renovation to original specification. The car has been fully stripped, chassis powder coated, and most parts replaced or refreshed to bring the car to a nearly new look and feel. Have many pictures through the build along with an extensive list of what's been done to the car. If a potential new owner wishes to have any parts upgraded or change (ie drums to discs) this can be arranged. List of some of the work done; panels / fibre glass sprayed, chassis and major components powder coated, new brakes all round inc wheel and master cylinders, rebuilt wheels all round, AVO double adjustable rear shocks, re plumbed and wired, new radiator and cooling fan, rose joints all round, rebuilt diff, gear box and engine inspected, and gaskets and parts replaced where required. new tyres and tubes. Any enquires please contact Josh on 07769801684 for more information.
