Congratulations to all the award winners

Thank you to all the fantastic marshals (in hill order) – Dawn & Steve; Eimear, Barry & Neil; Stuart; Maureen & Chris; Hilary Carrott; Alan Baker; Tavis Carrott; Tim & Derek. All helpers receive a set of results as a token of our thanks for a day's accurate work.

We must also thank Mrs Pardoe, the landowner, for allowing us to use the farm's excellent venue for the event.

We trust you enjoyed your day in the peaceful and picturesque county of Herefordshire, and we hope to see you all at next year's event in June 2022.

....and finally,

Simon would like to pass on his special thanks to all competitors and marshals who did 'get on with it' throughout the day. The weather forecast was for rain from about 1600 – we started about 10 minutes early (0950), had quite a short lunch break (1145-ish to 1225) and the last cars finished at 1430 or so. He shut the gate for the last time at 1500, so well done everybody for a dry ending this year.
