

Knutsford and District Motor Club Limited
The Jubilee AutoSOLO/PCA 23rd October 2022

SUPPLEMENTARY REGULATIONS

FOREWORD

Communications are all electronic. Competitors will be supplied with a timecard, 2 numbers, and test diagram. Please print out the venue diagram that will be sent out with the finals.

The Motorsport UK signing on requirement is incorporated in the electronic signing on, please be aware of this before signing on. The provisional and final results will be computed using the sapphire solutions timing system. Marshals check sheets will be maintained to help resolve any questions.

You will not be able to apply for the Motorsport UK RS Clubman Status license at the event so please apply early to Motorsport UK to avoid disappointment. It is your responsibility to have your license which has to be noted on your entry form. Please ensure that you bring your competition licence, championship registration form and club membership cards with you for examination if required.

The event will use the tested system of competitors marshalling when not competing. Anyone else wishing to marshal should contact the chief marshal who will arrange for you to sign on electronically in advance of the event.

17. Any protests must be lodged in accordance with Motorsport UK regulation.
18. Competitors will be identified by numbers which **must be printed by the competitor and displayed on both sides of the car**, preferably in the rear side window or closest equivalent place.
19. Marking and penalties will be as the Motorsport UK regulation M9.4 and summarised as follows:
- | | |
|--|-----------------------|
| Time taken completing the course | Actual Time taken |
| Striking a cone or barrier defined on the diagram | 5 seconds per offence |
| Taking an incorrect route on any course | Maximum time |
| (however, returning a short distance to the point of departure from the correct route and then completing the course correctly will not be penalised except as below) | |
| Competing the course in a time exceeding the maximum time | Maximum Time |
| Not stopping immediately on deployment of the STOP signal | Maximum Time |

The maximum time is the quickest time in class for that run plus 20 seconds.

20. One course will be laid out. It is planned to run the event in three groups of tests using the same layout all day. There should be a minimum of three runs in each group.

All times will count. In the event of a tie the fastest run on the first course will determine the tie, then the fastest on the second course, etc. until the tie is decided. To be classed as a finisher, a competitor must start a minimum of half the tests.

21. The starting signal will be “in your own time”.
Timing will be by hand held stopwatches using the Sapphire Solutions timing system to the previous tenth of a second.
Timing will start when the leading wheel cross the timing line and stops when the leading wheel cross the finish line. Competitors must stop before the baulk line.
22. The STOP signal will be displayed because of an obstruction on the course, whether this is an object or personnel. A competitor must stop immediately on deployment of the STOP signal and a re-run will be allowed. The STOP signal will be a red flag.
23. All other General Regulations of the Motorsport UK apply as written except that:-
- All competitors must walk each course before the timed runs start for that course.
 - No practicing will be allowed.
 - GR M6.6 Markers may be less than 1m high.
 - GR H30.1.2(e) Entry fees will be refunded if notice is given in writing before the event.

24 The Knutsford and District Motor Club policy on GDPR is available on the club website. In signing this entry form you are confirming your consent to us holding and using your personal data in connection with this event. Also, that you told the person whose details you have provided to us as an emergency contact for use in an emergency that their information is held by us.

25. General

Paddock; You will be directed to the paddock area. Please park as directed. A venue diagram will be available with the finals

Scrutineering; You are responsible for self-certifying on the entry form the suitability of your car. Scrutineering will open at 8:25 (same time as signing on). The scrutineer will come to you in the paddock.

Walking Tests; Please wait until the marshals have set up the tests before walking the tests. Do not forget your own diagrams.

Test Procedure; Proceed to the first test and queue as directed. Please stay with your car. After you have completed your run please re-join the queue for your next run. Once you have completed your runs, please return to the paddock and park up.

Incident; Should you have an incident on a test requiring help please stay in the car, if safe to do so, until the marshal approaches you. The driver must indicate to the marshal that they are OK by signalling with a “thumbs up” at the front windscreen. The competitor can exit the vehicle and stand at a suitable distance. The marshals are responsible for moving a stranded vehicle off the test.

Red Flag Procedure; The test marshals shall be equipped with red flags in strategic points. If there is a blockage or incident on test the red flag will be shown. If the red flag is shown you must come to a complete stop where you are and await further instructions from the marshal. If you are stopped for a red flag you will be issued a re-run so just re-join the queue.

Double Drives; If you are going to be double driving at the event, please make sure to let us know which car/who with on the entry list.

Medical; There will be onsite medical cover for the duration of this event. Provided by Catseye Response
