AGRICULTURE

Many thanks to all the Competitors for entering our event and we hope you enjoyed your Foxley challenge. A lovely sunny, although chilly, day in Herefordshire – great day for some Autotesting! We appreciate you leaving the site in a tidy manner which made our job of clearing the venue much easier.

Another big thank you to the team who helped clean and set-up the site on Saturday – a case of many hands makes light work. Our appreciation also goes to the team of Timekeepers and Marshals on Sunday for their invaluable support; we just about had enough marshals to cover all Test Sites and everyone did a grand job.

Further thanks to all other Officials for performing their duties and likewise to the Results Team, who kept the score sheets up-to-date and double-checked. As it was the first time Jim Lewis had been Clerk of the Course, there are a plenty of positives to take away and just a couple of points noted to develop the event.

There was a good battle for the top 5, with some cone penalties mixing it up and a rare 'Wrong Test' by John Moffatt thrown in. Malcolm Livingston pipped Willie Keaning by 0.5 second in the end, Richard Pinkney was keeping Alastair Moffatt honest although collecting three cone penalties didn't help, but at the end of 16 Tests, Alastair Moffatt took the win by 17.2 seconds and in winning, dedicated his F.T.D. to the memory of Mike Sones – well done and congratulations Alastair.

Herefordshire Motor Club are extremely grateful to Mr James Davenport for his assistance with the organisation of this event and permitting us to hold the Autotests at the distinctive 'Foxley Estate'.

Furthermore, our grateful thanks go to T H White Agriculture for their sponsorship.

Another year done 'n' dusted for us! Wishing you all a successful years' motorsport for the remainder of 2022, thanks again for your support and hope to see you next year!

One final item, can you kindly complete the Survey Monkey report for the BTRDA – the link is:
