13 Provisional results will be on display during the event and as soon as possible following the conclusion of the event. Any protests must be made in accordance with Section C, otherwise the results will be made final and the awards will be presented at the event location once result finalised.

14 Practising will **NOT** be allowed and competitors will **NOT** be allowed to walk on the tests once the event has started.

15 Test diagrams will be added to the final instructions and will be available on the SOSCC website from 14th July
We will have two identical tests constructed
The morning format is to have 5 runs at test A and B (total 10 runs)
The Afternoon format is to use tests A & B as an eliminator (Min 2 Runs !) Lowest combined times progresses

To keep the event flowing we would ask all competitors to be ready to start the test within 30 seconds of arriving at the start line.

Morning Format Competitors will start in their own time
Afternoon Format Both Competitors will start with visual instruction

If you chicken out or suffer a mechanical breakdown then please inform the Clerk of the Course who will arrange for you to slot back into the running order where / if possible.

Competitors **MUST** run in order, unless permission is granted by the Clerk of the Course. In the interests of safety, any competitor failing to stop astride the finish line, and / or before the baulk line following the finish line, **will** be penalised 5 seconds for **each offence.**

16 The General Regulations of the MSA apply as written, except the following which are modified
A vehicle may be entered by two different competitors
M.4.2 Pylons may be less than 1 metre high
Table M.7.c. 20 seconds
Table M.7.c 5 seconds

In any test diagram illustrating a test, dimensions will be approximate and only for guidance. Indications of the direction of travel of the competing car when crossing a line, passing between markers will be mandatory but not exclusive (ignoring shunts to avoid markers) A maximum penalty will be applied when the mandatory sequence of manoeuvres has not been correctly completed. A test will not be deemed incorrect if the driver realises their mistake, returns to the point at which the mistake occurred and then completes the test correctly as required by the test diagram.

17 For those with Sat Nav. **the postcode is DG11 2SL**. The test site will also be arrowed.

**18 Please respect the landowners and put any rubbish in the bins provided or take your litter away with you.
