

KNUTSFORD and DISTRICT MOTOR CLUB KNUTSFORD AUTOTEST

Sunday October 1st 2023

FOREWORD

Knutsford and District Motor Club are pleased to be holding the KNUTSFORD Autotest again with the much-appreciated support of Demon Tweeks, and the use of their Wrexham site. We are looking forward to an event without the Covid restrictions of the last two years, so an opportunity for friends and family to come along if they wish. We will however continue to try and make all administration and communications online, as this seems to be popular with most competitors. The intention is to use the full capability of Timing App.Live for both entries and results. The provisional and final results will be computed using Timing App.Live, and you should be able to view the event results live during the day, (competitor timecards and/or the Marshals check sheets may be used to verify). Results will be published at the end of the event.

Please note you will not be able to apply for the MSUK RS Clubman Status licence at the event so please apply early to MSUK to avoid disappointment. It is your responsibility to have your licence which must be noted on your entry form. Please ensure that you bring your competition licence, championship registration form and club memberships cards with you for examination if required.

The event requires marshals, if they could register with the chief marshal and sign the MSUK signing on sheet in advance of the event, that would be a great help.

The general section has several points specific to the running of the event, please read them before you come to the event.
